Learner Attainment Improvement Strategy (LAIS): IMPLEMENTATION PLAN

2023

PREFACE

The performance of learners in the province of the Eastern Cape continues to improve from year to year. This progress can be observed across four key indicators. Firstly, the province achieved the highest percentage of learners who successfully passed the National Senior Certificate (NSC) in 2022. Secondly, over the past six years, the percentage of learners who passed at a bachelor level, making them eligible to pursue higher education at universities, has doubled. Thirdly, there has been an increase in the number of learners who attain the highest descriptor level, achieving level 7 or distinctions. Lastly, learner participation in the NSC reached its peak in 2022, indicating a high level of engagement and commitment.

While the exact cause-and-effect relationship between these specific strategic programmes and the observed improvements in educational outcomes cannot be definitively determined, the Department can attribute these positive changes to the implementation of targeted initiatives. Implementation of the Education System Transformation Plan (ESTP) is one such strategic intervention and the 2016 Service Delivery Model, which saw the restructuring and consolidation of districts from 23 to 12. Also, flowing from these interventions a Circuit Management Centre was introduced as a tier of leadership, governance, and management between a circuit manager and district director, thus enhancing accountability at a circuit management level. Lastly, the Department, having learned best practises from the best performing provinces (Free State), strengthened the implementation of its Learner Attainment Improvement Strategy (LAIS), through soliciting external interventions including partnerships.

LAIS implementation is situational, and context based. Consequently, the strategy gets revised every year based on the historical performance of institutions and new targets set for those institutions. In LAIS 2023, therefore, the Department aims to give expression of the strategies to improve learner performance, **through implementation, monitoring, support, accountability, and impact assessment**. This LAIS plan is pivoted on 6 pillars that are implemented over three phases, targeting specific beneficiaries. Contextual factors that inform the level of support given to any beneficiary include the historical performance in assessments.

3 The LAIS implementation plan	1

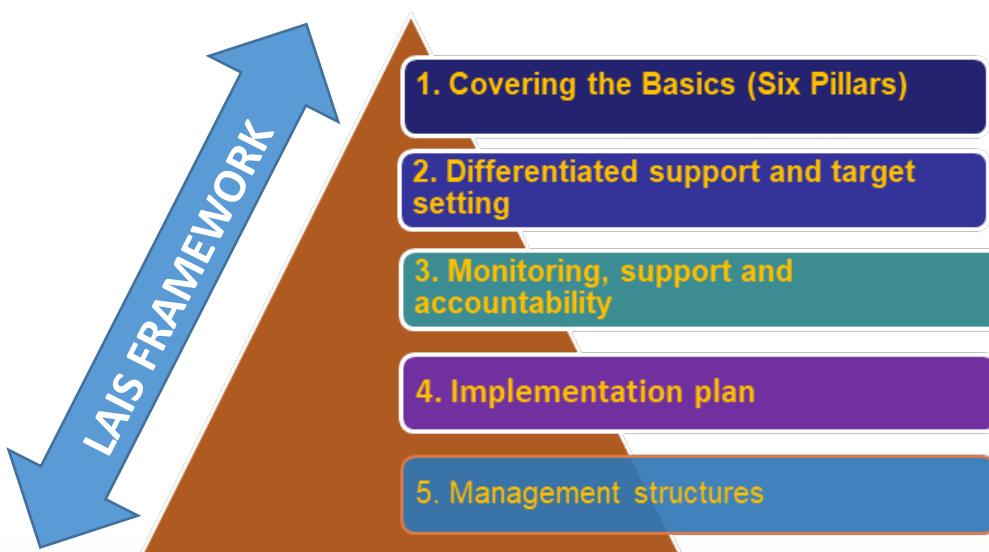

BACKGROUND

The Eastern Cape Department of Education convened a strategic planning meeting, which served as the foundation for creating the Annual Performance Plan. Additionally, the Department organized a LAIS conference where inputs from all districts were sought to develop the LAIS plan for 2023, considering their unique circumstances. These two strategic sessions provided the Department with a roadmap for enhancing learner academic performance. The roadmap has been communicated to school principals through engagement meetings with the MECs. The current document consolidates the inputs gathered and outlines the practical implementation of the plan, beginning with a reaffirmation of the fundamental requirements for schools to function efficiently.

THE LEARNER ATTAINMENT IMPROVEMENT STRATEGY (LAIS):

- **A system which seeks to improve the educational outcomes.**
- **All branches have a role to play, and implementation is situational and contextual.**
- **The LAIS plan seeks to define strategies, to improve performance, through baseline planning, implementation, monitoring, support, accountability and impact assessment.**
- **Provide integrated approach and focus on Learner attainment.**
- **The Action Plan to 2019 – Towards the realisation of Schooling 2030.**

The Strategic Planning session resolved to consolidate and endorse the draft LAIS document as a guide and roadmap towards improving Learner attainment and further proposed that districts should act to consolidate practical implementation plans. A LAIS framework must be support by a structure based on key levers:

COVERING THE BASICS

1.1 PILLAR ONE:

1.1.1. QUALITY OF TEACHING AND LEARNING

Focus Area	Activities
1.1.1.1 CURRICULUM PLANNING	<ul style="list-style-type: none"> Adherence to <u>notional times</u> and effective <u>time management</u> for teaching and learning Lesson <u>planning, preparation, and presentation</u> <u>Target setting</u> (School/Subject) Effective <u>instructional leadership</u> <p>Adherence to the <u>approved Annual Teaching Plans (ATPs)</u> in all subjects</p>
1.1.1.2 CURRICULUM IMPLEMENTATION	<ul style="list-style-type: none"> Ensuring effective curriculum coverage in all subjects Extra tuition programmes for struggling learners Improving reading proficiency Focus on gateway subjects (Maths, Science and Tech) Focus on high enrolment subjects. <p>Support to Learners with Special Education Needs (LSEN)</p>
1.1.1.3 CURRICULUM ASSESSMENT	<ul style="list-style-type: none"> Tracking the system performance through formative and summative assessment Improving the quality and quantity of informal assessment Conduct Provincial Common Tests to standardise academic performance. Ensure adequate revision programmes before administering quarterly assessments. Set proper procedures in administering School-Based Assessments (SBA) <p>Analysis of both formal and informal tasks to inform academic interventions.</p>

1.2 PILLAR TWO

1.1.2. PROVISION OF CRITICAL RESOURCES (HR LTSM, INFRASTRUCTURE)

Focus Area	Activities
1.1.2.1. EDUCATOR PROVISION	<ul style="list-style-type: none"> Timeous implementation of <u>PPN for 2023</u> <u>Filling of substantive vacant posts</u> to ensure that there's quality teaching and learning in the classroom. Provision of educators in schools with <u>drastic increase</u> in learner enrolment Adequate provision of <u>surplus educators in small</u> and non-viable schools <p>Ensure that <u>substitute educators are appointed</u> in the place of educators on accouchement and long sick leave</p>

1.2.2 PROVISION OF CRITICAL RESOURCES (HR LTSM, INFRASTRUCTURE)

Focus Area	Activities
1.1.2.2. LTSM PROVISION	<ul style="list-style-type: none"> <u>Timeous delivery</u> of stationery and textbooks to all schools <u>Retention and retrieval</u> of textbooks Timeous <u>delivery of supplementary tuition resources</u> to schools with grade 12 <p>Provision and <u>utilisation of ICT portals/ platforms</u> to enhance e-learning in schools</p>

1.1.3. PROVISION OF CRITICAL RESOURCES (HR LTSM, INFRASTRUCTURE)

Focus Area	Activities
1.1.3.1. INFRASTRUCTURE PROVISION	<ul style="list-style-type: none"> Provision of adequate learning spaces to create an environment that is conducive to effective teaching and learning. Provision of adequate learner furniture in schools with serious shortages <p>Provision of ablution facilities in schools without functional ablution facilities</p>

1.3 PILLAR THREE:

1.3.1 BASIC FUNCTIONALITY

Focus Area	Activities
1.1.3.2. FUNCTIONAL SCHOOL ENVIRONMENT	<ul style="list-style-type: none"> • Provision of an orderly and secure environment to support learning. • Use notional time effectively and mitigate effectively to factors that lead to time loss. • Ensure availability and usage of critical policies and prescripts to inform the smooth running of institutions. • Set up functional and critical management and governance structures (SGB and its committees, SMT and its committees including SBST, Subject committees and SDT) • Set up compliance and consequence management procedures and systems. <p>Ensure availability and usage of basic management and administrative documents.</p>

1.4 PILLAR FOUR:

1.4. 1. EDUCATOR DEVELOPMENT AND LEARNER SUPPORT

Focus Area	Activities
1.4.1.1 EDUCATOR DEVELOPMENT	<ul style="list-style-type: none"> • Set up orientation and content workshops for Grade 12 educators of all subjects. • Establish mentorship programme for novice educators in all subjects. • Ensure that on-site coaching programme for struggling teachers. • Make educators of all levels account for the level of performance of their subjects/ schools. <p>Support struggling teachers through PLCs and Lead educators</p>

1.4.2 EDUCATOR DEVELOPMENT AND LEARNER SUPPORT

Focus Area	Activities
1.1.3.3. LEARNER SUPPORT	<ul style="list-style-type: none"> Set up learner support structures in all institutions (SBST/ CBST/ DBST) Support learners with special education needs (including learner concessions) Establish support programme to support struggling learners (learner boot camps and extra classes) <p>Implement programme to improve bachelor passes and distinctions (highflyers)</p>

1.5 PILLAR FIVE:

1.5.1 LEADERSHIP, MANAGEMENT, GOVERNANCE AND RELATIONSHIPS

Focus Area	Activities
1.1.3.4. SCHOOL PLANNING	<ul style="list-style-type: none"> Ensure that there are credible plans across all levels of management (School Improvement Plan (SIP), Schools Academic Performance Improvement Plan (SAPIP), Subject Improvement Plan (SIP), CIP, DIP). Communication of plans to all role players and stakeholders Schedule of meetings across all levels of management Financial planning (budget, procurement, and auditing processes) <p>Annual plans for SGBs and RCLs to strengthen school governance.</p>

1.5.2 LEADERSHIP, MANAGEMENT, GOVERNANCE AND RELATIONSHIPS

Focus Area	Activities
1.1.3.5. TARGET SETTING	<ul style="list-style-type: none"> Analyse the 2022 NSC results and internal exam results with a view to set realistic targets for the class of 2023. Setting targets for overall performance of institutions (school, Circuit, CMC, District) <p>Setting subject specific targets</p>

1.5.3 LEADERSHIP, MANAGEMENT, GOVERNANCE AND RELATIONSHIPS

Focus Area	Activities
1.1.3.6. ACCOUNTABILITY/ CONSEQUENCE MANAGEMENT	<ul style="list-style-type: none"> • Implementation of section 58B provisions as per circular • Communication of expectations in line with job descriptions which align with performance agreements. • Management support to subordinates in achieving set targets. • Hold accountability sessions at all levels in line with performance management policies. • Implement Instructions on Performance Management, Schedule 1 and 2 of EEA <p>Implement the Code of Good Practice</p>

1.5.4 LEADERSHIP, MANAGEMENT, GOVERNANCE AND RELATIONSHIPS

Focus Area	Activities
1.5.4.1 RELATIONSHIPS	<ul style="list-style-type: none"> • Equip managers across all levels on how to build healthy relations to promote high academic performance in all institutions (school, circuit, CMC, District) • Conduct an audit of all institutions with cases of strained working relations that impact on quality service delivery. • Design plans to intervene on the outcome of the audit

1.6 PILLAR SIX:

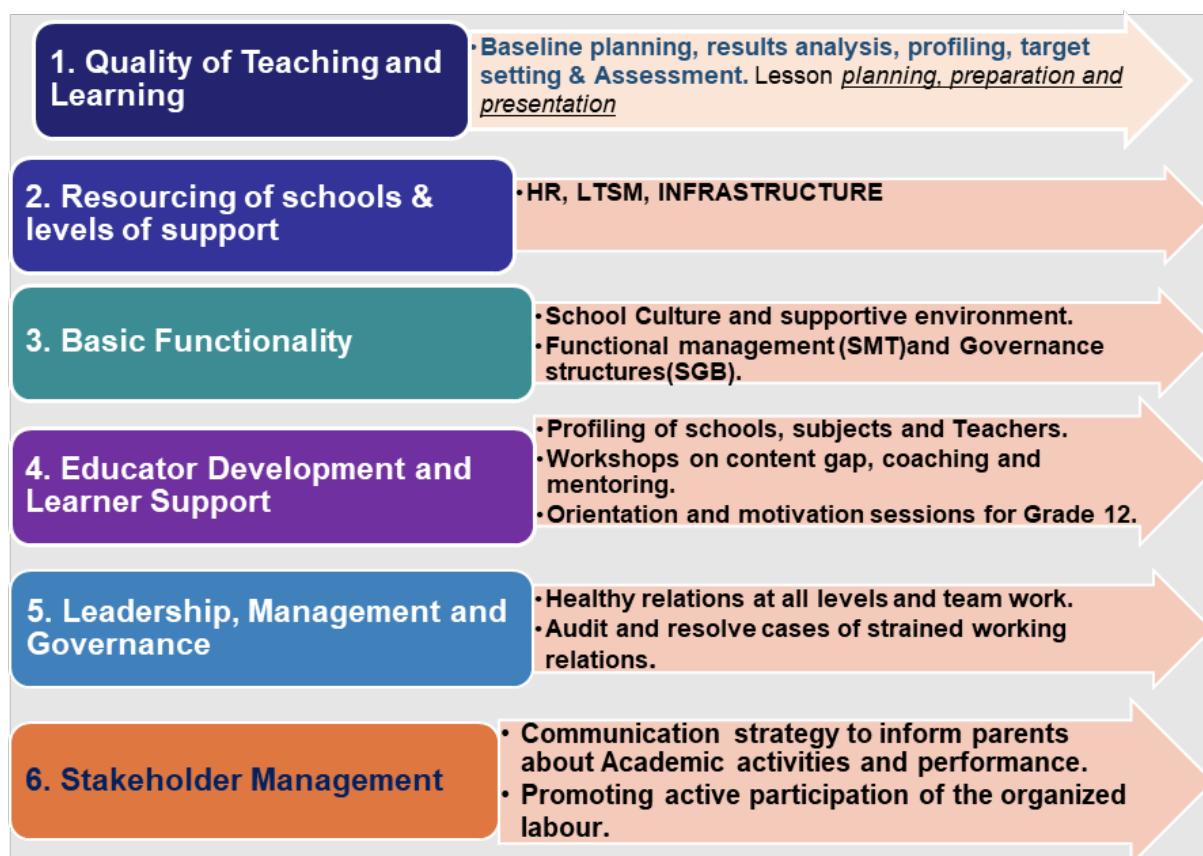

1.6.1 STAKEHOLDER PARTICIPATION AND MANAGEMENT

Focus Area	Activities
1.1.3.7. PARENTAL INVOLVEMENT	<ul style="list-style-type: none"> • Communication strategies are in place to ensure that parents are informed about school academic activities (Grade 12 parents' meetings, signing of academic targets) • Parents to monitor learners written work daily. <p>Attendance by parents in quarterly feedback session on learner performance</p>

1.6.2 STAKEHOLDER PARTICIPATION AND MANAGEMENT

Focus Area	Activities
1.1.3.8. STAKEHOLDER INVOLVEMENT	<ul style="list-style-type: none"> Organise school/ circuit imbizo to promote stakeholder involvement. Integration of programmes by organised labour/ NGOs with school/circuit/ district programme to enhance learner attainment and educator development. <p>Promote active participation of all stakeholders in QLTC structures</p>

In Summary Covering the Basic provides the Pillars that focus on things that are basic for teaching and Learning, the baseline.

2. DIFFERENTIATED SUPPORT

2.1 Identification of schools for support

The level of support given to schools must be according to the need based on the performance in the previous year's NSC examination. To this end, the province has three categories of schools for targeted support. Firstly, are school that performed at 90% and above and deemed educationally self-sustaining and therefore need minimal disruption and must receive low level support. Secondly, are schools that performed between 75 and 90% that must receive moderate support as explained in the table below. Lastly, are schools that performed below 75% that must be targeted for high level and specialized support.

LEVEL OF SUPPORT	% PASS OF SCHOOL	NO OF SCHOOLS BASED ON 2022 NSC	TYPE OF SUPPORT
LEVEL 1	90-100%		<ul style="list-style-type: none"> Low level support to school: allowing school their own intervention program. Learners encouraged with 6 days of self-study p/w (x2hrs p/d), exposure to resources and practice of question papers especially (higher order questions). Monitor x1 time per term
LEVEL 2	75-90%		<ul style="list-style-type: none"> Moderate Support with Extra Tuition needed to identify and address problem areas in subjects. Daily self-study and practice of questions after every topic. Monitor x1 time per term

LEVEL OF SUPPORT	% PASS OF SCHOOL	NO OF SCHOOLS BASED ON 2022 NSC	TYPE OF SUPPORT
LEVEL3	below 75%		<ul style="list-style-type: none"> • High level and Specialized Support: with targeted Extra Tuition by district. • Targeting key exam topics per subject. Addressing learning deficits in these topics. Practice low to medium level questions in topics. • Arrange supervised study programs and weekly tests. Expose learners to model answers. Learners encouraged with 6 days of self-study p/w (x2hrs p/d), exposure to resources Monitor x2 times per term

2.1 Target setting

The province has set a target of 80% pass for 2023 NSC. This target is based on historical performance of each district. Each district is required to institutionalise its target through setting up targets for the units within the district. That is, each CMC, circuit and school must have targets that will cumulatively culminate into the district target, at the minimum. Target setting needs to be followed up by target support for every unit according to its need.

2.2 Identification of learners for support

Learners, even if they are in the same grade, rarely exhibit the same level of cognitive development, even though they learn and progress at similar rates. Consequently, it is crucial to provide appropriate support to learners whenever they require assistance. Various learning needs exist across a wide range, requiring support which is at the subject level at times. In this strategy, the three extremes are identified. One group are those learners who did not meet the proportion requirements in the previous grade and were progressed to the next grade. These learners are considered not be ready for the grade they are in and therefore, there is a need for targeted support to see them through NSC. On the other extreme end of the continuum, are learners who are academically competent and whose support is aimed at improving the quality of performance. Lastly, are special need learners who are in between these extremes and must always be accommodated.

ADDITIONAL SUPPORT/INTERVENTION PROGRAMMES ARE PROVIDED FOR THE DIFFERENT CATEGORIES OF LEARNERS IN GRADES 12		PROGRESSED NEEDS	HIGH ACHIEVERS NEEDS	LEARNERS WITH SPECIAL NEEDS
<ul style="list-style-type: none"> Districts to keep record of progressed learners per subject. Progressed learners to be prioritised in daily extra classes. 3. MONITORING, SUPPORT AND ACCOUNTABILITY

Individual schools conduct their own intervention Programmes whilst Districts and the Provincial office also run parallel intervention programmes to assist schools. Despite these interventions, there is no visible impact on learner performance. The 2023 Implementation Plan adopts a multi-disciplinary approach for the constant monitoring, support and accountability which are central drivers of LAIS activities.

Monitoring is critical and of high priority for building strong evidence around implementation and assessing the effectiveness of interventions being implemented. It helps to determine exactly whether an intervention is on track and when changes will be needed. It also provides a more robust basis for effective utilisation of LAIS funds and influence education policies. Reports that will be generated will contribute to transparency and accountability which allow lessons to be shared amongst Districts. The strategy will include the following:-

- Strengthen Monitoring and Support at all levels, school-based classes, district/ Jenn supported classes.
- Evaluation of previous year results and target setting.
- Strengthen monitoring in January focusing on curriculum matters.
- Promote integration of activities where all district sections support and school visit. (multi-disciplinary teams).
- Provide monitoring tools for work coverage and reporting for informal and formal Assessment, expected number per- term and actual written as per learner files.
- Term report sessions in Principals meeting and stakeholder meetings.

The annexures below are a guide to the monitoring and reporting on the interventions being implemented.

SUMMARY OF LAIS EXECUTION PLAN 2023

- First Push Programme.
 - Monitoring syllabus coverage.
 - Administration of mid-year exams in all grades.
 - Vacation classes.
 - Quarterly analysis of learner performance.
 - Last Push Programme.
 - Evaluation of LAIS implementation and impact thereof.
- ✓ Provide Calendar of Events and Annual Activity Plan through Project Management approach. (Activities, Target group, Time Frames and Responsible officials).
- ✓ Promote integration of activities where all district sections support and visit schools through Multi-disciplinary teams.
- ✓ The plan provides detailed key deliverable/ Focus areas, time frame and Resources.
- ✓ Strengthen school readiness visits focusing on curriculum matters.
- ✓ Strengthen Monitoring and Support at all levels.
- ✓ Evaluation of previous year results and target setting.
