DATE: 26 JULY 2021

REMOTE LEARNING – 2021 TELEMATICS SUPPORT

PURPOSE

The purpose of this E-Teaching and Learning Instruction is to share a remote learning platform set up by Stellenbosch University through Telematics, in order to support the current Grade 12 cohort.

1. Telematics is an interactive **cyber-classroom** striving to implement education through technology - lessons are broadcasted and streamed from a studio at the University of Stellenbosch to schools.
2. The project provides lessons via satellite and live streaming to Grade 10 - 12 learners.
3. Participants have an opportunity to communicate and have immediate access to the presenter through sending a WhatsApp 083 792 1239, email school@sun.ac.za or Facebook: <https://www.facebook.com/telematicsschoolsproject>
4. All videos, workbooks and presentations are available on the zero-rated website <https://schools.sun.ac.za/>
5. This virtual classroom makes it possible to reach a large number of learners and provide them with quality individual tutoring.
6. 17 key subjects are being broadcasted with a revision program for Grades 10 to 12:

The lessons being broadcasted are for the following subjects:

- Accounting
- Business Studies
- Economics
- English FAL
- Geography

- History
- Life Sciences
- Physical Sciences
- Mathematics
- Mathematical Literacy
- Consumer Studies
- IsiXhosa HL
- English HL
- Technical Mathematics
- Afrikaans HL
- Afrikaans FAL
- Tourism

5. The Telematics Schools project can be accessed as follows:

Contact us on:

Email: school@sun.ac.za

Tel: 021-808-9507/4129 or +27 83 792

1239

Website: schools.sun.ac.za

- Open your browser- Google / google Chrome/ Internet Explorer etc.
<https://schools.sun.ac.za/>
- Select site – <https://schools.sun.ac.za/>
- Click register
- Each learner and teacher can register
- Once you received your login details enter the login details
 - e.g. Username: learner
 - Password: learner283!

The password is **CASE SENSITIVE**. Please type it exactly as provided. Ensure that your **CAPS** lock is **OFF**. Should the details be typed out incorrectly, the system will say **INVALID LOGIN**

**6. During the broadcast
Learners**

- 6.1 Answer short questions (if available)
- 6.2 Make notes

- 6.3 Ask/ write down questions
- 6.4 Discuss after the broadcast

Teachers:

- 6.5 Encourage learners to attend and ask questions
- 6.6 Subject teacher to be present
- 6.7 Facilitate the engagement
- 6.8 Get attendance list
- 6.9 Plan on integrating the knowledge into your next classes

7. Monthly schedules for these lessons are shared with all the schools and can be downloaded. <https://schools.sun.ac.za/>. Go to Resources – 2021 Broadcast schedule. All lessons are streamed live on Facebook. Schedules, notifications and news are posted daily on the Facebook group <https://www.facebook.com/telematicschoolsproject>. Lesson schedules will be made available in the www.eccurriculum.co.za website or other departmental platforms Facebook page, etc.
8. For more information do not hesitate to contact Stellenbosch University, you can also do so through your district E-Learning Coordinators to assist you:
Website: <https://schools.sun.ac.za/>
E-Mail: school@sun.ac.za
Telephone: **021-808-9507**
9. We urge all schools to share the contents of this instruction with all Grade 10 - 12 Learners, Teachers and Parents.
10. All learners and teachers are encouraged to complete the yearly survey till 17 August 2021 for exciting prizes and the possibility of a school winning a full telematics installation. Daily winners announced on the Facebook page.
