2. SOURCE-BASED QUESTIONS

In the assessment of source-based questions, the following must be taken into account:

- All Level 1 type questions require learners to extract information from the sources. These individual questions will carry a maximum of 2 marks.
- All Level 2 questions require learners to interpret and analyse evidence from the sources. These individual questions will carry a maximum of 4 marks.
- All Level 3 questions that require learners to have a thorough understanding of skills such as usefulness: compare; contrast; reliability; etc. These individual questions will carry a maximum of 6 marks and will be assessed using an analytical rubric.
- Paragraph questions will carry between 6 to 10 marks and will be assessed using an analytical rubric.

3. EXTENDED WRITING

This aspect tests the learner's ability to write essays and will be assessed using the following levels:

- Level 1 - Learners will be required to write an essay on a given line of argument i.e. more straightforward type of question, focusing on: describe, explain, discuss etc.
- Level 2 - Learners will be required to write an essay by developing a relevant independent line of argument by using the evidence from the given sources and their own knowledge i.e. more analytical type of question, focusing on for example: Do you agree with the statement. Substantiate your answer. Critically discuss this statement by referring to relevant events from a particular period, etc. Refer to attached revised matrix to assess learner's work

GRADE 12 HOLISTIC RUBRIC TO ASSESS LEVEL 2 EXTENDED WRITING (SUCH AS AN ESSAY USING SOURCES)

TOTAL MARKS: 30

LEVEL	If the candidate has demonstrated all or most of the skills listed in a particular level, she/he will be awarded a mark relevant to the category.
<p>7 Outstanding 80 – 100% 24 – 30</p> <p>[Excellent]</p>	<p>Consistently focuses on topic – demonstrates a logical and coherent progress towards a conclusion Clearly comprehends the sources Uses all or most of the sources and demonstrates excellent ability to integrate own knowledge Selects relevant sources Quotes selectively Groups sources (not essential but should not merely list sources) Demonstrates a setting of sources in background understanding If appropriate, deals fully with counter-argument Refers appropriately to relevancy, bias, accuracy, limitation of sources Expresses him/herself clearly Concludes essay with clear focus on topic – takes a stand (i.e. reaches an independent conclusion)</p>
<p>6 Meritorious 70 – 79% 21 – 23</p> <p>[Very Good]</p>	<p>Makes a good effort to focus consistently on the topic but, at times, argument loses some focus Clearly comprehends the sources Uses all or most of the sources and demonstrates very good ability to integrate own knowledge Selects relevant sources Quotes selectively Good use of relevant evidence from the sources. Good attempt to consider counter-argument Good attempt to refer to relevancy, bias, accuracy, limitation of source Expression good Concludes essay with clear focus on topic – takes a stand (i.e. reaches an independent conclusion)</p>
<p>5 Substantial 60 – 69% 18 – 20</p> <p>[Good]</p>	<p>Makes an effort to focus on the topic but argument has lapses in focus Comprehends most of the sources Uses most of the sources and demonstrates good ability to integrate own knowledge Selects relevant sources Expression good but with lapses Perhaps, lacking some depth of overall-focus, or does not make reference to one or more relevant sources If appropriate, makes an attempt to consider counter-argument Rather superficial or no attempt to refer to relevancy, bias, accuracy, limitation of sources Makes an attempt to take a stand (focuses on limitations, etc.) in reaching an independent conclusion</p>
<p>4 Moderate 50 – 59% 15 – 17</p> <p>[Satisfactory]</p>	<p>Makes some effort to focus on the topic but argument has many lapses in focus Moderate comprehension of most of the sources Moderate use of relevant evidence from the sources and demonstrates moderate ability to integrate own knowledge Moderate attempt to consider counter-argument Moderate attempt to refer to relevancy, bias, accuracy, limitation of sources Expression is satisfactory</p>

	Makes an attempt to take a stand but there are serious inconsistencies with making links with the rest of the essay Essay might have a tendency to list sources and “tag” on focus
3 Adequate 40 – 49% 12 – 14 [Fair]	Little attempt to focus on the topic Little comprehension of the sources Struggles to select relevant information from the sources and demonstrates adequate ability to integrate own knowledge No quotes – or generally irrelevant Makes little effort to consider counter-arguments Mainly characterised by listing of sources No attempt to refer to relevancy, bias, accuracy of sources Expression poor Makes a poor attempt to take a stand. (i.e. battles to reach an independent conclusion)
2 Elementary 30 – 39% 09 – 11 [Weak]	Unable to focus on the topic Unable to identify relevant sources and demonstrates elementary ability to integrate own knowledge No quotes – or generally irrelevant Makes no effort to consider counter-argument Essay characterised by listing of sources No attempt to refer to relevancy, bias, accuracy of sources Expression very poor Makes a very poor attempt to take a stand – if at all
1 Not Achieved 0 – 29% 0 – 8 [Poor]	No attempt to focus on the topic Uses no sources and makes no attempt to integrate own knowledge Completely irrelevant Copies directly from the sources Answer extremely poor
